# Production News

- Production down – early – mid season nagging injuries are affecting us
- Hopefully once we get our mountain back our numbers will get better

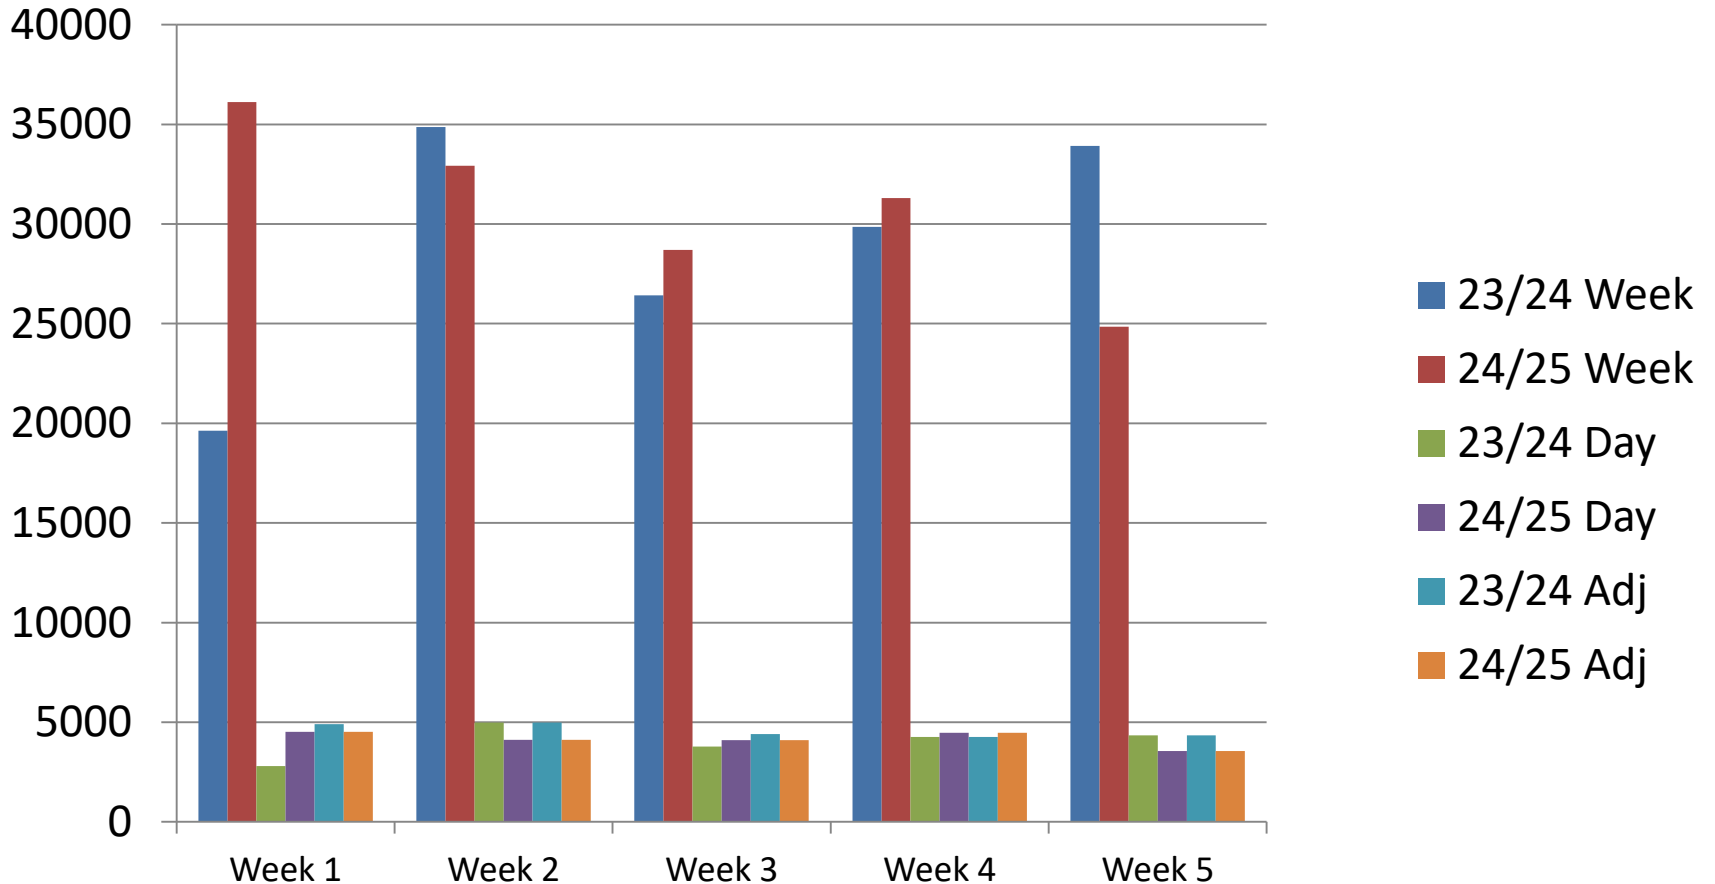

# DPR (Distance Production Rate)

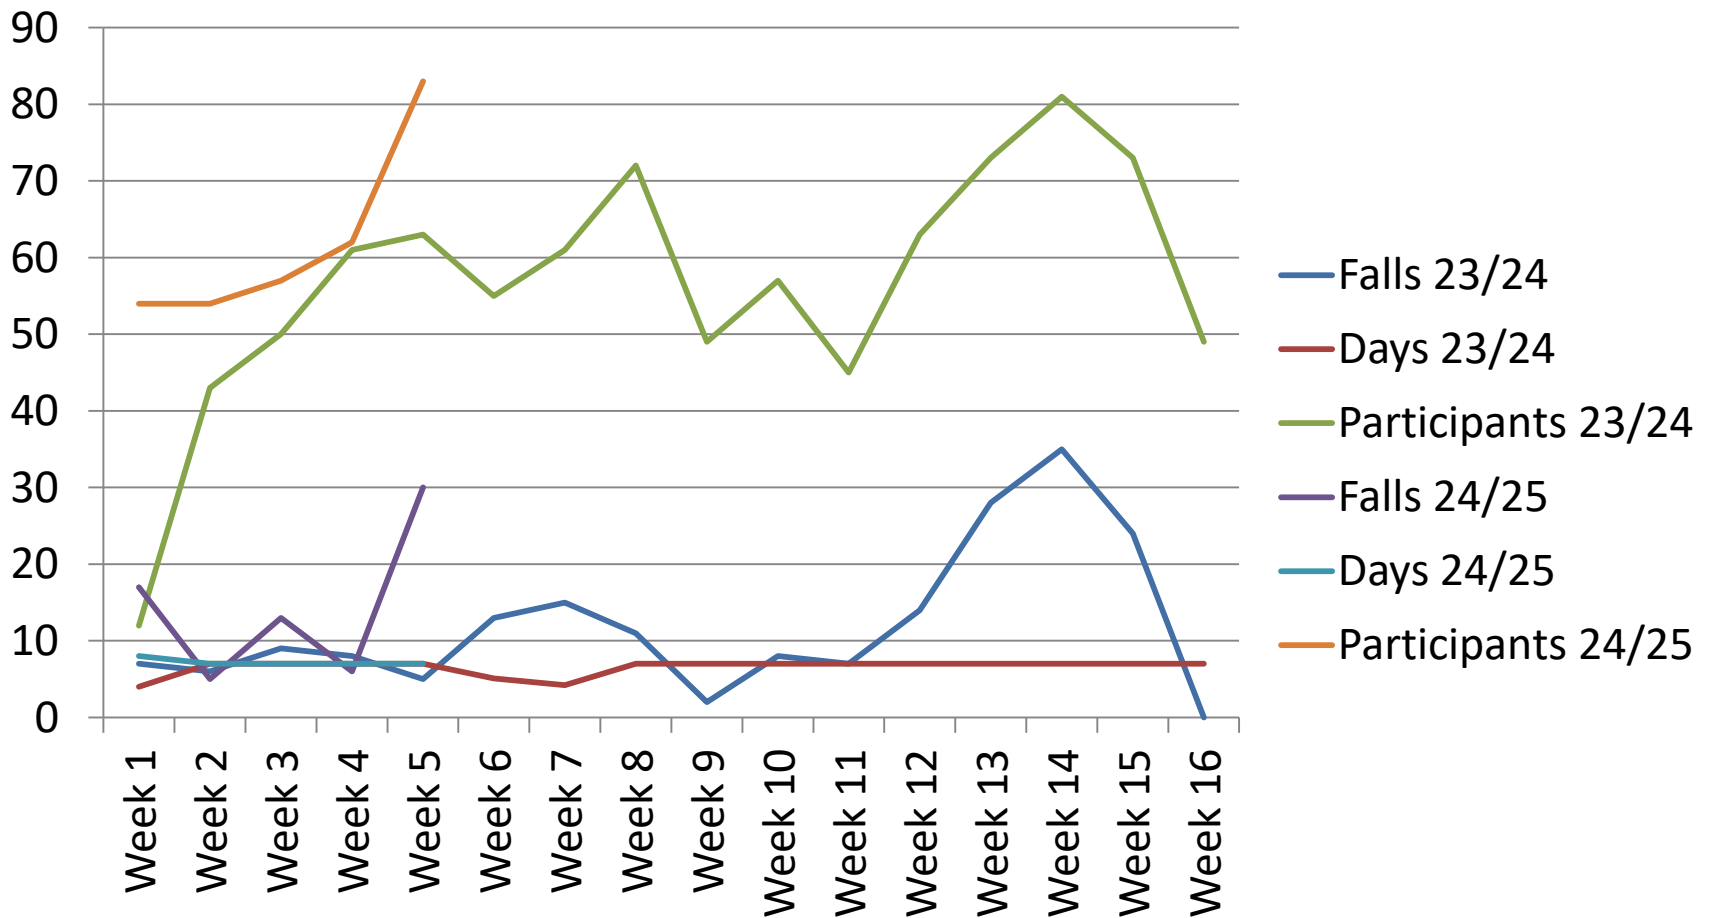

# RPR (Run Production Rate)

# VP Rates (Vertical Production)

# Weekly OS Data (as reported)

14 of these were Erik – making up for his dad's low numbers

# Weighting Criteria

# And Now to the Awards

- FoF – To be handed off to Peter
- Erik would need his own special award
- 22 falls this week – 14 from Erik
- Lots of visitors, lots of falls but core group is getting stronger – when we go down they are usually good

# Chairlift Chatter

- So what has everyone been talking about?
  - The skiing, good runs, bad runs and Marks new moniker Number 2
- Patrol sweep from hell
- Chris' value statement which has his per day cost of his pass down less than \$3 per day, goal \$1 or less a day

# Thoughts for the week

- If you are bringing Angel home do not use the car heat and seat heaters are definitely forbidden
- Glad to have Dennis and Cyndy back

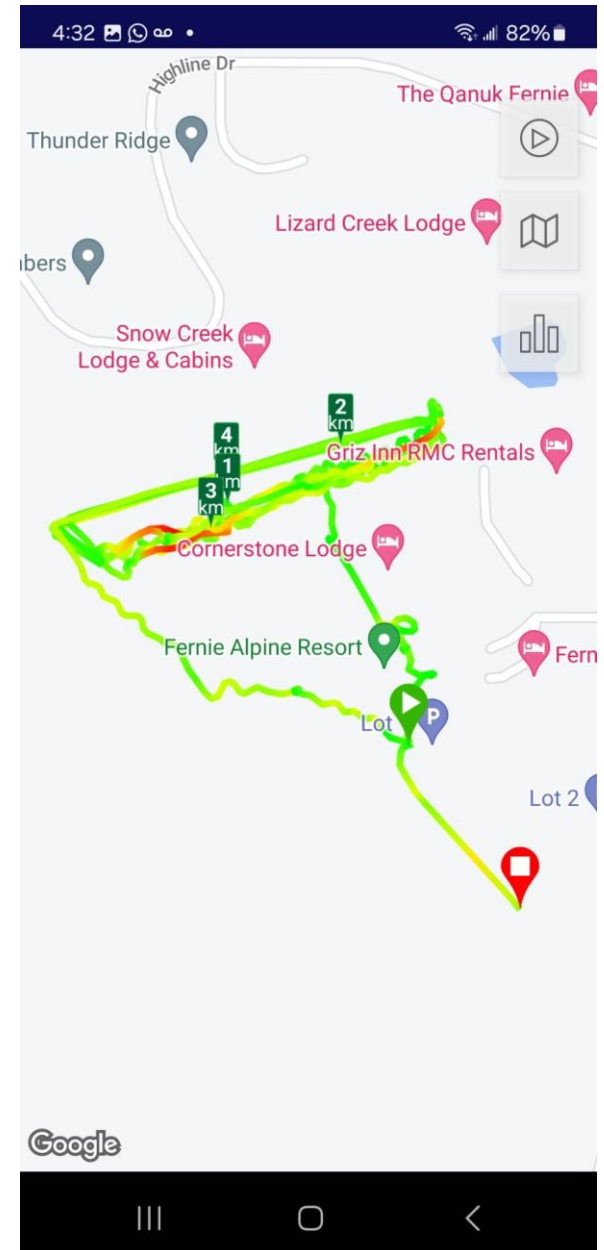

# Notable week

- Fabulous snow this week, shows on the hill good coverage and VW sized moguls on some runs
- Notable firsts – Diamond Back, Surprise and Black Cloud
- Ladies day coming soon?

Ski map of the week Erika you are a true friend

One of the the reasons we come to Fernie

Here is Peter Cat Skiing  
Having an Epic day  
Laying down turns in  
powder

Good Form  
Good Style  
You can imagine his grin  
under all that protection

Face shots  
Fat skis  
Good tunes in his ear buds

What could go wrong?

Uh oh  
A tree?  
A snow snake  
Watch out!

Good thing that the snow  
is soft

Epic is the only word that comes to mind

Now this is an Epic picture

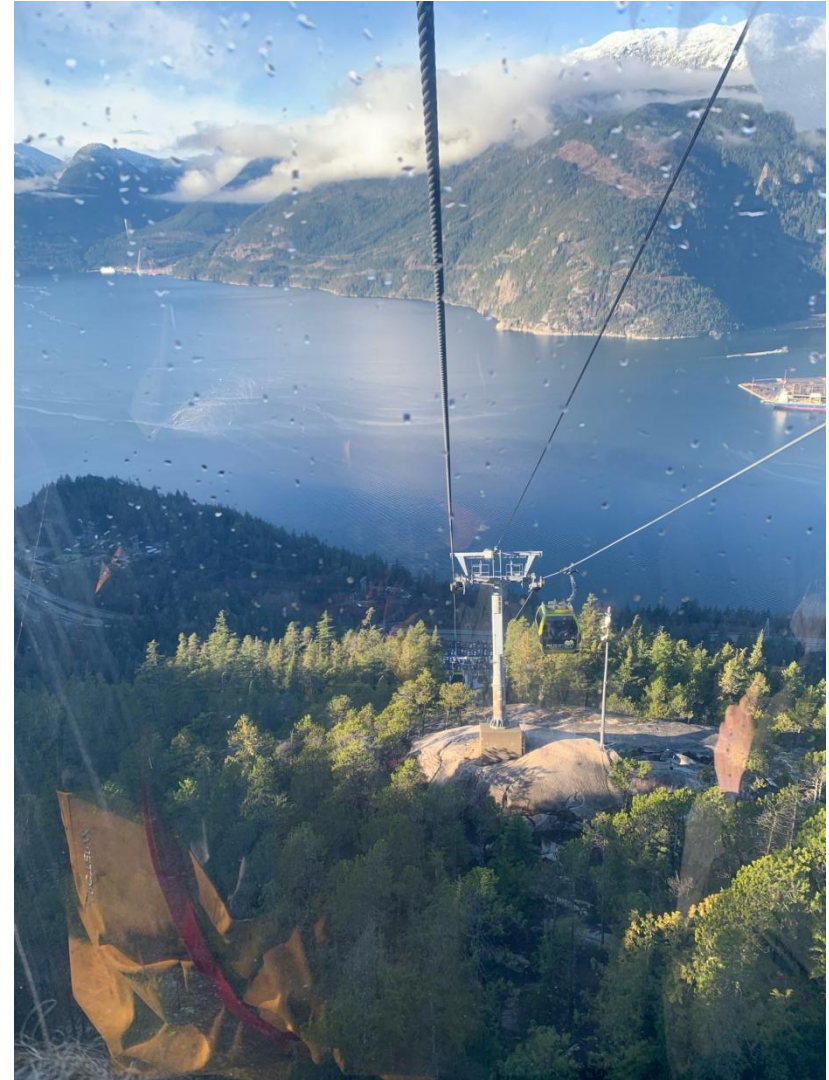

Chris – may be time for a camera / phone upgrade

....and while we skied, others went visiting
